The Legal Stuff

What Is Covered/Excluded. This Golden Pledge® Limited Warranty covers certain GAF roofing products installed on your roof (the “GAF Products”) including GAF Shingles, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, GAF Leak Barrier products, GAF Roof Deck Protection products, GAF Cobra® Attic Ventilation products, and GAF-labeled Ultimate Pipe Flashing® with EasySleeve (manufactured by Lifetime Tool® & Building Products LLC). This warranty does not cover ShingleMatch™ Roof Accessory Paint, Master Flow® Attic Ventilation, GAF Cornell Nail Base Roof Insulation, or low-slope membranes (each of which is covered by a separate limited warranty), or any non-GAF roof products, such as roofing nails. Misapplication of your GAF Products and flashings at valleys, dormers, chimneys, and plumbing vents (the “Covered Flashings”) is also covered.

Who Is Covered by This Limited Warranty; Transferability. You are covered by this warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be **transferred only once**. The second owner must notify GAF in writing within **60 days** after the property transfer has occurred for any coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.) If the transfer takes place during the first 20 years, the second owner shall be entitled to all benefits contained in this warranty. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after ownership changes. During this two-year period, GAF’s reimbursement to the second owner will be based only on the reasonable cost of replacement GAF Products, reduced by the amount of use that has been received from the GAF Products from date of installation through the date of claim.

How Long Your Warranty Lasts: All GAF Products. Coverage begins when your GAF Products are installed. Coverage for all GAF Products lasts as long as the warranty for manufacturing defects for the type of shingle installed in the field of the roof. Note: If cut-up GAF Strip Shingles are used instead of the eligible GAF Ridge Cap Shingles, the warranty and non-prorated period for the cut-up strip shingles are the same as they would be if those shingles were used in the field of the roof.

Manufacturing Defects: Lifetime Shingles. All GAF Shingles covered by this warranty other than Royal Sovereign® and Marquis WeatherMax® Shingles carry a Lifetime warranty against manufacturing defects and a non-prorated period of 50 years. (Note: This limited warranty is not available for roofs with Sentinel® Shingles.) The word “Lifetime” means as long as you, the original owner(s) [or the second owner(s) if coverage was properly transferred within the first 20 years], own the property where the shingles are installed. The Lifetime warranty term and 50-year non-prorated period are applicable only to shingles installed on a single-family detached residence owned by individual(s). For any other type of owner or building, such as a corporation, governmental entity, religious entity, condominium, or homeowner association, school, apartment building, office building, or multi-use structure, the length of the warranty is 40 years and the non-prorated period is 20 years.

Manufacturing Defects: Other Shingles. Marquis WeatherMax® Shingles are warranted against manufacturing defects for 30 years; Royal Sovereign® Shingles are warranted for 25 years. The non-prorated period is 20 years for both Marquis WeatherMax® and Royal Sovereign® Shingles.

Misapplication: GAF Products and Covered Flashings. When Lifetime Shingles are installed in the field of the roof, coverage for application errors, including the misapplication of Covered Flashings, lasts for the first 25 years after installation for single-family detached residences owned by individual(s). For other types of owners or buildings and for shingles other than Lifetime Shingles, coverage lasts for 20 years.

Failure to Seal/Blow-Offs/Wind Damage. Coverage lasts for 15 years.

Algae Discoloration. All StainGuard®-labeled shingles and ridge cap shingles are warranted against algae discoloration for 10 years.

Manufacturing Defects: What Is Covered/Sole and Exclusive Remedy.

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term listed above. **Note:** Failure to seal/blow-offs/wind damage and algae discoloration are covered separately below.

(a) **During the non-prorated period:** If any of your GAF Products is found to have a manufacturing defect that adversely affects performance, GAF will pay you the full reasonable cost of labor to repair or re-cover the affected GAF Product(s) or Covered Flashings, and will provide replacement products. The costs of labor to tear off some or all of your GAF Products and disposal are included if necessary to repair your roof.

(b) **After the non-prorated period:** The repair or re-cover cost which GAF will pay, and the roof products to be provided, will be reduced to reflect the amount of use you have received from your roof through the date of your claim. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term.

GAF’s maximum liability for any roof shall **NOT** exceed three times the reasonable cost of replacement GAF Products before any reduction for use.

For a Lifetime warranty, GAF’s contribution in years 51 and beyond will be 20%.

Misapplication: What Is Covered/Sole and Exclusive Remedy. If any of your GAF Products or Covered Flashings is found to have an application error that adversely affects performance, GAF will arrange to have your roof repaired or re-covered or, at its sole option, will provide you with replacement roofing product(s) and reimburse you for the full reasonable cost of labor and other materials to repair or re-cover your roof, including Covered Flashings. The costs of labor to tear off some or all of your GAF Products and Covered Flashings and disposal are included if necessary to repair your roof.

If your claim arises out of an application error in your GAF Products or Covered Flashings, which is discovered or discoverable within the first two years after installation, it is the obligation of your Master Elite® Roofing Contractor to make all necessary repairs. In the event that your Master Elite® Roofing Contractor is unable or unwilling to perform these repairs, GAF will arrange to have your roof repaired if the issues were caused by application errors within the scope of GAF liability under this limited warranty.

NOTE: Failure to install adequate ventilation is **NOT** an application error of your GAF products. Due to the design of certain buildings, the replacement of existing flashings may be difficult, costly, or impractical. Please be sure to review these items with your roofing contractor.

Failure to Seal/Blow-Offs/Wind Damage: What Is Covered/Sole and Exclusive Remedy.

GAF warrants to you that your shingles and ridge cap shingles will not fail to seal and that your shingles and other GAF Products will not blow off or sustain damage from winds (including gusts) up to the applicable wind speed listed below after your shingles and ridge cap shingles should have sealed but did not due to a manufacturing defect. If your shingles or ridge cap shingles do fail to seal, blow off, or sustain wind damage, or your other GAF Products blow off or sustain damage from winds, GAF’s contribution to you will be for the reasonable costs of replacing the blown-off shingles or ridge cap shingles and other affected GAF Products and hand-sealing any unsealed shingles or ridge cap shingles. Costs relating to metal work and flashings are not included. GAF’s maximum liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles or ridge cap shingles on your roof.

Algae Discoloration: What Is Covered/Sole and Exclusive Remedy

This StainGuard® Limited Warranty applies **only** to shingles and ridge cap shingles sold in packages bearing the StainGuard® logo. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your **StainGuard®-labeled** shingles or ridge cap shingles. During the **first year**, if your StainGuard®-labeled shingles or ridge cap shingles do exhibit a pronounced discoloration caused by blue-green algae, GAF’s contribution will be either the reasonable cost of commercially cleaning your shingles or ridge cap shingles or, at GAF’s option, replacing discolored shingles or ridge cap shingles up to a **maximum** of the original installed cost of the affected shingles or ridge cap shingles. During the **remainder** of the StainGuard® warranty period, GAF’s contribution to you will be reduced to reflect the amount of use you have received from your shingles or ridge cap shingles since they were installed (100%, reduced by a percentage equal to the number of months from the installation date to the date of claim divided by 120). **Note:** Preventing pronounced algae-related discoloration of your shingles or ridge cap shingles is achieved through formulations or through unique blends of granules.

What Is Not Covered. Even if your roofing system was not properly installed according to GAF’s published application instructions or to standard good roofing practices, this limited warranty remains in effect. However, GAF will **NOT** be liable for and this warranty does **NOT** apply to:

- Damage resulting from anything other than an inherent manufacturing defect in the GAF Products on your roof, their misapplication, or the misapplication of Covered Flashings, such as:
 - settlement, movement, or defects in the building, walls, foundation, or the roof base over which your roof system was applied.
 - inadequate ventilation.
- Damage resulting from causes beyond normal wear and tear, such as:
 - acts of nature, such as hail, fire, winds (including gusts) over the applicable wind speed listed above, or ice damming above the areas of your roof deck covered by a GAF Leak Barrier or above flashings.
 - impact of foreign objects or traffic on the roof.
 - improper storage or handling of any GAF Products.
- Shading or variations in the color of your shingles or ridge cap shingles, or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles or ridge cap shingles were labeled with the StainGuard® logo), or other contaminants, including that caused by organic materials on the roof.
- Damage caused by, or the cost to repair or replace, products not sold by GAF, including, but not limited to, metal work, and counterflashing.
- Improperly designed or installed gutter or downspout systems.
- Damage to the interior or exterior of any building, including, but not limited to, mold growth.
- Damage to or caused by rooftop air conditioning units (and their flashing), pipe works, brace works, skylights, rooftop satellite dishes or other radio/TV devices, counterflashing, or flashings other than those specifically included above.

Other Limitations Concerning Coverage. Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your roof products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects, application errors (including misapplication of Covered Flashings), or blue-green algae growth at the time of settlement. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement shingles or accessories may not be an exact match for the shingles or accessories on your roof. Even if GAF does not modify a color, replacement shingles or accessories may not match your original shingles or accessories due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do.

You must notify GAF about any claim within **30 days** after you notice a problem and provide proof of the date your GAF Products were applied **and** that you were the owner at that time (or that the warranty was properly transferred to you). Failure to provide timely notice may result in denial of your claim. You must either call GAF at 1-800-458-1860 about your claim, or send

a notice in writing to GAF, Warranty Services, 1 Campus Drive, Parsippany, New Jersey 07054, USA. You will then be provided with complete details about submitting your claim. GAF may require you to send to GAF, at your expense, sample products for testing and photographs. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this limited warranty. If you repair or replace your GAF Products before you notify GAF about your claim or before GAF has completed its evaluation of your claim, your claim may be denied. If you need to repair or replace your GAF Products before your claim is resolved, you **MUST** provide GAF with reasonable notice. **NOTE: Notice to your contractor, dealer, or homebuilder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

NOTE: Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

The United Nations Convention on Contracts for the Sale of International Goods shall **NOT** apply either to the sale of the GAF Products or to this limited warranty.

Modification of Warranty. This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional liability or responsibility for GAF in connection with your GAF Products and Covered Flashings except as described in this warranty.

Effectiveness: This limited warranty will not take effect unless all eligibility requirements have been satisfied, this warranty is registered to you, and your roofing contractor has been paid in full.
